

ERICA HOTEL MOTEL

THE HOT ROCK EXPERIENCE

TAKE CHARGE OF YOUR MEAL WITH OUR HOT ROCK EXPERIENCE

Served on a slab of volcanic rock that has been heated to 400°C, enjoy the taste of succulent and juicy meat cooked the way you like in its own nutrients and juices.

"The healthiest way to enjoy your steak!"

Have you ever had your steak go cold while eating it? Then you try to heat it up with your gravy that's no longer hot?

Enjoy a meal where the last bite is just as **HOT** and just as tasty as the first!

No matter your choice of meat, cut your meal into bite size portions and cook them as you go, to your own liking.

Whether its rare, medium or well done, all are possible!
